

REMARKS

This paper is responsive to the Office Action mailed on June 13, 2005. Claims 28-56 are currently pending in this application. Claims 28-56 are original. Claims 28-56 remain under consideration, and of these, claims 28, 42, 53 and 56 are independent. No claims have been canceled. There are no new claims, and no new matter is added.

Claims 28-56 are rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-27 of U.S. Patent No. 6,651,057. To move prosecution forward, enclosed herewith is a terminal disclaimer in compliance with 37 CFR 1.321(c) signed by the attorney of record for overcoming the double-patenting rejection, and the required fee under 37 CFR 1.20(d).

For at least the reasons stated in these Remarks, Applicants believe all pending claims to be in allowable condition. Applicants reserve the right to argue other distinctions if it ever becomes necessary. A favorable examination result is earnestly solicited. Questions or issues arising in this matter should be directed to Applicants' representatives, listed below.

Please charge the Terminal Disclaimer fee of \$130.00 to Deposit Account No. 18-1945, under Order No. BBNT-P02-283 from which the undersigned is authorized to draw.

Dated: 7/25/05

Respectfully submitted,

By
